## **BASIC FINANCIAL AID INFORMATION NEED–BASED AND NON-NEED BASED FEDERAL PROGRAMS**

Toledo Academy of Beauty can offer quality education at surprisingly affordable costs. However, many qualified students will need financial assistance in the form of Federal Aid in order to attend school at Toledo Academy of Beauty, 7300 International Dr, Suite 200, Holland OH 43528. Toledo Academy of Beauty can offer extensive Federal Financial Aid to qualified students who deserve a post- secondary education but do not have adequate financial means to do so. Please contact the financial aid officer by phone at 419-693-7257 or by email at toledoacademyofbeauty@gmail.com.

## **NEED-BASED AND NON-NEED BASED STATE AND LOCAL AID PROGRAMS, SCHOOL AID PROGRAMS, AND OTHER PRIVATE AID PROGRAMS**

Toledo Academy of Beauty does not have state, local government and private funding sources.

## **HOW DO STUDENTS APPLY FOR FEDERAL STUDENT AID AND HOW IS ELIGIBILITY DETERMINED?**

Students enrolling in Toledo Academy of Beauty should complete an application for Federal Financial Aid using the Free Application for Federal Student Aid (FAFSA) on the web: <http://www.fafsa.ed.gov/>

A student's financial aid package may include a Federal Pell Grant, and Federal Direct Loan.

## **HOW DOES THE SCHOOL DISTRIBUTE AID AMONG STUDENTS?**

Most Federal Financial Aid is awarded on the basis of financial need. Need is the difference between your cost of education (educational expenses such as tuition, room board, books, supplies and other expenses) and the amount you and your family are expected to contribute toward your education.

A standard formula is used for all applicants to determine this amount, which is called the expected family contribution (EFC). If there is anything left over after subtracting the expected family contribution from your cost of education you are then considered to have financial need.

## **THE RIGHTS AND RESPONSIBILITIES OF A STUDENT RECEIVING FEDERAL STUDENT AID**

- **The student has the right to ask the school:**
  - The name of its accrediting and its licensing organizations.
  - About its programs, its physical facilities, and it's faculty.
  - What the cost of attending is, and the institutions policies concerning refunds and Return to Title IV (R2T4) to students who drop out.
  - What financial assistance is available at Toledo Academy of Beauty; including information on all federal, state, local, private and institutional financial aid programs.
  - What the procedures and deadlines are for submitting an application for each available financial aid program.
  - How it determines a student's eligibility and need for financial aid.
  - How much of your financial need, as determined by the school, has been met.
  - To explain each type and amount of assistance in your financial aid package.

- What the interest rate is on any student loan you have, the total amount you must repay, and when a student must start repaying.
  - What is deferment of repayment or forbearance for certain defined periods? How do you know if you qualify and how to request the deferment or forbearance?
  - Provide written information on student's loan obligations and information on your rights and responsibilities as a borrower.
  - To reconsider your aid package, if you believe a mistake has been made, or if your enrollment or financial circumstances have changed.
  - How the school determines when and whether you are making satisfactory progress (SAP) and what happens if you fail to maintain SAP. How failing to maintain SAP affects your Title IV eligibility.
  - What special facilities and services are available to students with disabilities and how to request a reasonable accommodation.
- **It is the student's responsibility to:**
    - Review and consider all the information about the school's program before enrolling.
    - Pay special attention to the application process for Federal student financial aid, complete it accurately, and submit it on time to the right place. Errors on the FAFSA can delay or prevent your receiving aid timely.
    - Know and comply with all deadlines for applying and reapplying for aid.
    - Provide all enrollment and verification documentations, corrections, and/or new information requested by either the financial aid officer or the agency to which you submitted the application.
    - Notify the school of any information that has changed since you applied.
    - Read, understand, and keep copies of all forms you were asked to sign.
    - Ensuring you are aware that you must start making monthly repayment on your student loan after your grace period ends, unless you have a deferment or forbearance. When you sign your master promissory note (MPN), you are agreeing to repay your loan.
    - Attend an exit interview at the time you leave the school to determine the net balance of your account with the school as well as the net balance of any student loan.
    - Notify the school of a change in your name, address, phone number, or attendance status (full/part-time student). If you have student loans, you must notify your lender of these changes.
    - Understand your school's refund policy.
    - Understand and comply with the enrollment status, financial charges, financial terms, time allowed to complete, refund policy and termination procedures as specified in the enrollment contract you will be asked to sign.
    - Understand that you may be responsible and have liability for portions of Title IV funds return by the institution on your behalf.
    - Understand that there could be liabilities when errors are made as a result of inconsistent information provided by the student result in funds being awarded that a student was not eligible for that are advanced to you or credited to your school account.

## **STUDENT LOAN INFORMATION PUBLISHED BY THE U.S. DEPARTMENT OF EDUCATION**

Toledo Academy of Beauty will provide information published by the U.S. Department of Education to students at any time that information regarding loan availability is provided. The publication includes information about rights and responsibilities of students and schools under the Title IV, HEA loan programs.

## **NATIONAL STUDENT LOAN DATA SYSTEM (NSLDS)**

When Toledo Academy of Beauty enters into an agreement with a potential student, current student, or parent of a student regarding a Title IV, HEA Loan the school will inform the student or parent that the loan will be submitted to the National Student Loan Data System (NSLDS), and will be accessible by guaranty agencies, lenders, and schools determined to be authorized users of the data system.

## **HOW AND WHEN WILL FINANCIAL AID BE DISBURSED**

Financial Aid and Title IV funds will be disbursed at 300 hours for the Esthetician Program. Students must meet these clock hour requirements in order to be eligible for Title IV funding disbursement. Each student will be evaluated on an individual basis to determine eligibility based on total actual and cumulative hours and weeks in each payment period.

## **THE TERMS AND CONDITIONS OF ANY EMPLOYMENT THAT IS PART OF THE FINANCIAL AID PACKAGE**

Toledo Academy of Beauty does not employ any students who are currently receiving financial aid and are attending the school programs.

## **THE TERMS OF, THE SCHEDULE FOR, AND NECESSITY OF LOAN REPAYMENT AND REQUIRED LOAN EXIT COUNSELING**

The formula for determining the amount of loans is: (Cost of Attendance) – Minus (EFC) – Minus (estimated financial assistance) = (Need for subsidized Federal Direct)

An unsubsidized loan can replace the EFC.

## **APPLICATION FOR LOAN**

To receive a Federal Direct Loan, a student must complete a Free Application for Federal Student Aid and a Master Promissory Note (MPN).

Student borrowers are advised to complete an Electronic Master Promissory Note (E-MPN) at [www.studentloans.gov](http://www.studentloans.gov)

Required borrower information on the MPN:

The MPN contains identifying information including name, permanent address, a date of birth, social security number, driver's license number, and two personal non-student adult references with U.S. addresses. The borrower must read, sign and date the MPN electronically.

## **Adverse Credit History of Borrowers of PLUS (Loan)**

The parent may not have adverse credit to borrow a PLUS. This is defined in the regulations as the applicant being 90 days or more delinquent on a debt or having been subject in the last five years to a default determination, bankruptcy discharge, foreclosure, repossession, tax lien, wage garnishment or write off of an FSA debt. The absence of any credit history is not considered adverse credit. Lenders may establish more restrictive credit standards for determining adverse credit.

If the parent borrower has an adverse credit history the applicant has the option of receiving a PLUS using a creditworthy endorser. If an endorser is used a separate Endorser Addendum is required for each PLUS loan. If an endorser is involved a new MPN must be used. The endorser is only liable for the specific loan or loans he/she has agreed to endorse.

## **SCHOOL CERTIFIES/ORIGINATES THE LOAN**

The school's primary responsibilities in the loan application process are to ensure the completeness and accuracy of the MPN based on information it has available.

Checklist for loan certification:

### **For all Federal Direct Loan programs applications, the school must:**

- Confirm that the student and parent meet the definition of eligible borrower. This would include the student's grade level, loan period and the amounts of the disbursements as well as the student's enrollment status and anticipated completion/graduation date. The school must confirm the student's dependency status for PLUS. Check on NSLDS to check the student's financial aid history, including loan limits. It must document the student's COA, EFC and estimated Financial Aid in the student's file. It must be available to the lender, guarantor or the Department
- Determine the student's enrollment status and SAP.
- Review NSLDS information on ISIR to ensure that the student (or both the student and parent in the case of PLUS loan) is not in default on any FSA loan and does not owe a refund on any FSA grant or scholarship and will not exceed the annual or aggregate loan limits applicable to borrowers.
- Ensure the amount of the loan in combination with other aid will not exceed the student's financial need or the annual or aggregate loan limit.

### **For Federal Direct Loan the school must also:**

- Determine the student's Pell grant eligibility (for a sub-Federal Direct the need analysis must use official EFC calculated by the Department to determine the student's financial need), and if eligible include the grant in the student's aid package.
- For an unsubsidized Federal Direct loan, first determine the student's eligibility for a Federal Direct loan.
- Prorate Federal Director loans for programs of study that are shorter than an academic year and for programs in which the remaining period of study is less than an academic year in length.
- Ensure that the loan disbursement dates meet the cash management and disbursement requirements for Federal Direct loans.

A separate PLUS MPN is required for each dependent student or if both parents want to borrow individually on behalf of the student.

### **Additional Unsubsidized Direct Loan:**

Dependent students whose parents are unable to borrow PLUS loans due to adverse credit or other exceptional circumstances may receive additional unsubsidized amounts at the same level as independent undergrad students. The amounts are limited.

## **Guidelines for determining student's eligibility:**

- Parent's unwillingness to borrow a PLUS does not make the dependent student eligible.
- The aid administrator's belief that a parent should not borrow a PLUS does not make the student eligible.
- Only one parent must apply for a PLUS and be denied based on adverse credit history. However, if both parents apply independently and one is approved and one denied, the student is not eligible for increased loan amounts.
- The parents denied of PLUS based on adverse credit in one year does not support the dependent's eligibility in subsequent years.
- The dependent student may become eligible at any time during an academic year if the parent has been approved and later denied.

The dependent student may be eligible for increased unsubsidized loan amounts if you determine and document that other exceptional circumstances exist that will prevent a student from borrowing, which may include:

- The parent is incarcerated and therefore ineligible.
- Parent's whereabouts are unknown.
- Parents income limited to Public Assistance or disability and you have evidence that the lender that makes loans to students and parents at the school has denied a PLUS loan or will not make a PLUS loan to a parent under its lending policy due to the parent's existing debt burden, income to debt ratio, likely inability to repay or other credit standards.

## **SCHEDULING DISBURSEMENTS**

Disbursements will be established with the lender. This is the date that the funds are disbursed to the student. In keeping with the three-day turnaround time for payment of FSA funds to the student. For Federal Direct Loans the school may request a lender to provide Federal Direct funds by the thirty first day of classes for the first payment period for a first year, first time Federal Direct borrower.

## **ENTRANCE COUNSELING FOR STUDENT LOAN BORROWERS**

First time student loan borrowers are required to complete entrance counseling prior to the first disbursement of their loan proceeds. Loan entrance counseling requirements can be completed online through the USDE's loan counseling material at [www.studentloans.gov](http://www.studentloans.gov). The online process ensures that up to date information is provided to students regarding loan regulations and the borrower's rights and responsibilities.

- An explanation of the use of the Master Promissory Note (MPN)
- An emphasis to the borrower the seriousness and importance of the repayment obligation the student borrower is assuming
- A description of the likely consequences of default, including adverse credit reports, delinquent debt collection procedures under Federal law, and litigation
- The obligation of the borrower to repay the full amount of the loan regardless of whether the borrower completes program or completes within regular time for completion, is unable to obtain employment upon completion, or is otherwise dissatisfied with or does not receive the educational or other services the borrower purchased from the school
- Information about the monthly payment amount based on
- A range of student levels of indebtedness of Direct Subsidized Loan and Direct Unsubsidized Loan borrowers, or student borrowers with Direct Subsidized, Direct Unsubsidized, and Direct Plus Loans depending on the types of loans the borrower has obtained; or
- The average indebtedness of other borrowers in the same program at the same school as the borrower

- To the extent practicable, provide an explanation of the effect of accepting the loans to be disbursed on the eligibility of the borrower for other form of student financial assistance
- Information on the accrual and capitalization of interest
- Borrowers of unsubsidized loans have the option of paying interest while in school
- Definition of half-time enrollment and the consequences of not maintaining half-time enrollment
- Importance of contacting appropriate offices if student withdraws prior to completion of program of study
- Sample monthly repayment amounts
- Consequences of default
- Information about the NSLDS and how the borrower can access the borrower's records
- Name and contact information for individuals the borrower may contact with questions about the borrower's rights and responsibilities or the terms and conditions of the loan

## EXIT COUNSELING

All students who are graduating or withdrawing from school must receive exit counseling.

The school will ensure that students receive exit counseling before they leave school. Counseling may be provided in person (individually or in groups), or using audio/visual materials. As with entrance counseling, exit counseling is offered on the Web by guarantors and lenders. Student borrowers should be advised to complete online exit counseling or come to the counseling session at the school shortly before graduating, or ceasing at least half-time enrollment. Financial Aid Staff at Toledo Academy of Beauty are reasonably available to answer questions from student borrowers. One of the borrowers' obligations is to participate in an exit counseling session.

Some of the same material presented at the entrance counseling session will again be presented during exit counseling. The emphasis shifts to more specific information about loan repayment and debt-management strategies. The following information will be provided as part of exit counseling:

1. Exit counseling emphasizes the seriousness and importance of the repayment obligation.
2. The lender sends payment coupons or billing statements as a convenience for the borrowers. Not receiving them does not relieve the borrower of his or her obligation to make payments.
3. Many lenders encourage borrowers to set up electronic debiting of bank accounts to repay their loans.

The regulations require that exit counseling describe the likely consequences of default, including adverse credit reports, and litigation. Students will be informed of the charges that might be imposed for delinquency or default, such as lenders or guarantor's collection expenses (including attorney's fees). Defaulters often find that repayment schedules for loans that have been accelerated are more stringent than the original repayment schedule. A defaulter is no longer eligible for any deferment provisions, even if he or she would otherwise qualify. The defaulter's federal and state tax refunds may be seized and wages garnished, and the borrower loses eligibility or any further funding from the FSA programs.

The student will receive an explanation of the use of the Master Promissory Note. The student will be advised to read carefully the MPN and the Borrowers Rights and responsibilities statement again.

Emphasis will be given that repayment is required, regardless of educational outcome or subsequent employability. The student borrower will be informed that they are obligated to repay the full loan even if they did not finish the program, cannot obtain a job after graduation, or is dissatisfied with the school's educational program or other services.

Sample monthly repayment accounts will be provided. The borrower will be given an estimate of the average anticipated monthly payments based on their indebtedness (or the average indebtedness of Federal Direct borrowers at our school or in the same program). The borrower will receive a sample loan repayment schedule based on their

total indebtedness. A loan repayment schedule will usually provide more information than just the expected monthly payment. For instance, it would show the varying monthly amounts expected in a graduated repayment plan. The lending organization is not required to send the repayment schedule to the student until the grace period.

Repayment options will be reviewed with the student. The counseling will review the payment options, such as the standard, extended, graduated and income-contingent income sensitive plans. The option of consolidating loans will also be discussed. Consolidation loans are available through the Federal Direct Student Loan Program. Debt Management Strategies will be discussed. The counselor will stress the importance of developing a realistic budget, based on the student's minimum salary requirements. It is helpful to have the student's budget reflect the loan payment as a fixed cost, like rent and utilities.

Forbearance, deferment, and cancellation options will be discussed including:

1. If a student cannot make scheduled payments and does not qualify for a deferment, the lender may allow the student to temporarily make smaller payments or temporarily stop making payments. Interest continues to be charged during forbearance. Some reasons why forbearance may be granted are financial hardship and/or illness. The lender must grant forbearance if the student has a monthly debt burden for Title IV loans that collectively equals or exceeds 20% of their total monthly gross income (for up to three years) there are several other reasons listed in the Borrowers Rights and Responsibilities.
2. Deferments mean that the student does not have to make payments in certain circumstances. If the student is attending school at least half-time, or if the student is unemployed, if the student is experiencing economic hardship as determined by federal law for up to three years. (See student's rights and responsibilities).

20. **Working Mother Deferment** This deferment type may postpone payments for mothers who recently re-entered the workforce.

The student will be informed of the Availability of Loan Information on NSLDS and the availability of the FSA Ombudsman's Office. The borrower's loan history can be reviewed on NSLDS (PIN required for access). The borrower will be made aware that the information on the NSLDS site is updated by lenders and guarantors and may not be as current as the latest information from the loan holder. The Ombudsman's office is a resource for borrowers when other approaches to resolving student loan problems have failed. Normally the bank and/or guarantor can help with any problem.

Review the Student's Rights and Responsibilities: The student received this with the MPN at the beginning of the loan process and it should be reviewed again at the exit interview.

The importance of keeping loan records will be reinforced with the student. The borrower should keep the loan repayment schedule provided by the lender when repayment begins as well as records of loan payments—including cancelled checks, money order receipts. The student should keep copies of any requests for deferment or forbearance, or any other correspondence with the loan holder.

The school will collect and update personal and contact information: During exit counseling, the aid office will obtain the borrower's expected permanent address after leaving school, the address of the borrower's next of kin, and the name and address of the borrower's expected employer (if known). A school will correct its records to reflect any changes in the borrower's name, address, Social Security Number, or references and will obtain the borrower's current driver's license number and state of issue. Within 60 days after the exit interview, the financial aid office will provide this information to the loan vendor.

The student will also be provided with the current name and address of the borrower's lender (or Federal Vendor), based on the latest information. An explanation will be given of how to complete deferment forms and how to prepare correspondence to the lender or vendor will also be included. Emphasis will be made that the borrower should always keep copies of all correspondence from and to them about their loans. It will be stressed that a borrower must make payments on their loans even if the borrower does not receive a payment booklet or a billing notice.

If the student borrower drops out without notifying the school, we will confirm that the student has either completed online counseling, or exit counseling material will be mailed to the borrower at their last known address. The material must be mailed within 30 days of learning that a borrower has withdrawn or failed to participate in an exit counseling session. When we mail these exit materials, we are not required to use certified mail with a return receipt requested, but we must document in the student's file that the materials were sent. If the student fails to return the Exit Counseling material including the contact information, we are not required to take any further action.

Grace Period: Once the student withdraws, leaves school or graduates on the subsidized loans there is a grace period of six months. During this time no interest accrues on the subsidized loan. On an unsubsidized loan the interest accrues and may be paid during the loan period. The principal not due until after the grace period. The borrower has a choice of paying the interest or having it capitalized (adding the accrued interest to the original loan principal). PLUS loan repayment begins sixty days after the second disbursement and interest begins at that point.

Repayment on all loans is up to ten years with a minimum repayment of \$50.00 per month.

**THE CRITERIA FOR MEASURING SATISFACTORY ACADEMIC PROGRESS, AND HOW A STUDENT WHO HAS FAILED TO MAINTAIN SATISFACTORY PROGRESS MAY REESTABLISH ELIGIBILITY FOR FEDERAL AID (IF APPLICABLE). SEE COPY OF SAP FOR FULL POLICY.**

**Determination of Progress**

Students meeting requirements at the review points will be considered making Satisfactory Progress until the next scheduled review. In order for a student to be considered making Satisfactory Progress, the student must meet both cumulative attendance average of 85% and academic minimum requirements of 75% at the end of each evaluation/payment period.

**Reinstatement of Financial Aid**

Students who withdraw (or discontinued by the school) prior to completion of the course and wish to re-enroll and are accepted, will return in the same satisfactory academic progress status as at the time of withdrawal.

**GENERAL INFORMATION ABOUT THE SCHOOL**

## WITHDRAWAL POLICY

### Official Withdrawals

The withdrawal process officially begins upon the request of the withdraw form. Students will be advised as to their responsibilities and the form will be forwarded to the Financial Aid office for processing.

### Unofficial Withdrawals/Drop

A student who misses 14 consecutive days, constitutes an “unofficial withdraw” or a “drop”. Unofficial withdrawals are calculated, for return of funds, using the student’s last day of class attendance, verified by the school’s attendance records.

The effective date of the termination for refund purposes will be the earliest of the following:

1. The last day of attendance from school’s attendance records, or
2. Date student began the withdrawal process, or
3. Date student provided official notification of intent to withdraw in writing, or
4. Date student did not return at the expiration of an approved leave of absence.
5. Date of withdrawal as determined by the school:
  - a. Student is expelled,
  - b. Student not making satisfactory progress (attendance of academic)

**Refunds will be totally consummated within 45 days after the effective date of termination. Upon a student's withdrawal, two calculations are formed:**

1. The Return of Title IV funds (To determine amounts earned from the Federal programs) and
2. Institutional Refund Policy or State Refund Policy if applicable. See school catalog for the institutional refund policy.

## **RETURN OF TITLE IV FUNDS**

### **Only the Title IV programs are to be included in this calculation**

You must keep in mind that when you apply for financial aid, you sign a statement that you will use the funds for educational purposes only. Therefore, if you withdraw before completing your program, a portion of the funds you received may have to be returned. The school will calculate the amount of tuition it must return to the Federal funds according to the policies listed below:

The Return of Title IV Funds is NOT a Refund Policy. Instead, the Federal regulations (beginning with October 7, 2000) require the use of a Return to Title IV calculation to determine the amount of Title IV funds a student has earned as of the date he or she ceases attendance. Any student receiving Title IV funds will be subject to these regulations.

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Federal Direct Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), Federal Perkins Loans and in some cases, certain state grant aid (LEAP/SLEAP), GEAR UP grants, and SSS grants to students.

When you withdraw during your payment period or period of enrollment (your school can define these for you and tell you which one applies) the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or by you.

The amount of assistance that you have earned is determined on a pro rata basis. For example, if you completed 30% of your payment period or period of enrollment, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If the post-withdrawal disbursement includes loan funds, you may choose to decline the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your post-withdrawal disbursement (including loan funds, if you accept them) for tuition, fees, and room and board charges (as contracted with the school). For all other school charges, the school needs your permission to use the post-withdrawal disbursement. If you do not give your permission (which some schools ask for when you enroll), you will be offered the funds directly. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

If a student earned more aid than was disbursed to him/her, the institution would owe the student a post-withdrawal disbursement. From the date the institution determined the student withdrew, grant funds must be paid within 45 days, and loan funds must be paid within 180 days.

Return of Unearned Aid is allocated in the following order:

1. Unsubsidized Federal Direct Federal Direct Loan
2. Subsidized Federal Direct Federal Direct Loan
3. Federal Perkins Loan
4. Federal Direct Parent (Plus) Loan
5. Federal Pell Grant
6. Federal Supplemental Opportunity Grant
7. Other Title IV Assistance

There are some Title IV funds that you were scheduled to receive that you cannot *earn* once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not earn any FFEL or Direct loan funds that you would have received had you remained enrolled past the 30th day.

Title IV Future Professionals reentering within 180 days of withdrawal date will resume at the same status as prior to withdrawal.

If you receive (or your school or parents receive on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser of:

1. Your institutional charges multiplied by the unearned percentage of your funds, or
2. The entire amount of excess funds.

The school must return this amount even if it did not keep this amount of your Title IV program funds.

If your school is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an *overpayment*. The amount of a grant overpayment that you must repay is half of the received amount. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return. If you don't already know what your school's refund policy is, you can ask your school for a copy. Your school can also provide you with the requirements and procedures for officially withdrawing from school.

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on *Student Aid on the Web* at [www.studentaid.ed.gov](http://www.studentaid.ed.gov).

The Return of Title IV Funds is NOT a Refund Policy. Instead, the Federal regulations (beginning with October 7, 2000) require the use of a Return to Title IV calculation to determine the amount of Title IV funds a student has earned as of the date he or she ceases attendance. Any student receiving Title IV funds will be subject to these regulations.

NOTE: If the initial amount of the overpayment owed by the student is \$25.00 or less, the student repayment requirement is forgiven.

**Crimes Against Women**

The HEA defines the new crime categories of domestic violence, dating violence, and stalking in accordance with section 40002(a) of the Violence Against Women Act of 1994 as follows:

“Domestic violence” means a felony or misdemeanor crime of violence committed by:

- Where the existence of such a relationship shall be determined based on a consideration of the following factors:
  - The length of the relationship;

“Stalking” means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

- Fear for his or her safety or the safety of others; or
- Suffer substantial emotional distress.

**Definition of Terms**

The term **primary prevention** refers to programming, initiatives and strategies intended to stop domestic violence, dating violence, sexual assault, or stalking before it occurs to prevent initial perpetration or victimization through the promotion of positive and healthy behaviors and beliefs. Efforts to change behavior and social norms, and promote healthy sexuality and egalitarian gender roles, or efforts to understand risk factors and protective factors for bystander inaction and change social norms around bystander inaction are all examples of primary prevention.

The term **awareness programs** refers to programs, campaigns, or initiatives that increase audience knowledge of the issues of sexual assault, domestic violence, dating violence and stalking and share information and resources to prevent interpersonal violence, promote safety, and reduce perpetration. These efforts can include campus communitywide mobilization as well as targeted audience-specific programming (including both students and employees). Awareness

month campaigns “Speak Outs,” rallies or marches, informational poster campaigns or resource web sites, and educational programming that focus on sharing resources and information about these issues are examples of awareness programs.

The term **risk reduction** refers to approaches that seek to mitigate risk factors that may increase the likelihood of perpetration, victimization, or bystander inaction. Risk reduction focuses on helping individuals and communities address the institutional structures or cultural conditions that facilitate SV, DV & Stalking to increase safety. Examples of risk reduction may include but are not limited to general crime prevention education, campus escort programs that educate on how to create individual and community safety plans and strategies, and bystander intervention programs that educate campus on how to recognize and interrupt situations of harm, or implementing a communications system that can notify the entire campus community of immediate threats to security.

The term **ongoing awareness and prevention campaigns** refers to campaigns that are sustained over time focusing on increasing awareness or understanding of topics relevant to SA, DA and stalking prevention. These programs will occur at different levels throughout the institution (i.e., faculty, incoming students) and will utilize a range of strategies. Ongoing awareness and prevention campaigns may include information about what constitutes sexual assault, dating violence/intimate partner abuse, and stalking, changing social norms, promoting recognition or perpetrator tactics, enhancing understanding of consent, and advancing pro-social behaviors of individuals and communities. Effective ongoing awareness and prevention campaigns will include developmentally appropriate content for the specific audience and their knowledge and awareness level and provide positive and concrete ways for individuals to get involved.

The term **bystander intervention** refers to safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene in situations of potential harm when there is a risk of domestic violence, dating violence, sexual assault, or stalking against a person other than the individual. Effective bystander intervention training prepares participants to recognize situations of potential harm, overcome barriers to intervening, identify safe and effective intervention options, and take action.

## **DRUG AND ALCOHOL ABUSE INFORMATION**

Last updated as of 01/01/2022

Last date distributed to all employees and currently enrolled students 01/03/2022

Following you will find the requirements of the Drug-Free Schools and Communities Act Amendments of 1989; Public Law 101-226 and what Toledo Academy of Beauty requires of Staff and Students.

Staff and Students are prohibited from the unlawful manufacture, distribution, possession, or use of illicit drugs or alcohol. This prohibition applies while on the property of the school or participating in any institutional activity. Students or employees who violate this policy will be subject to disciplinary action up to and including expulsion or termination from school or employment.

Additionally, there are numerous local, state and federal laws, which can be used to punish violators. Penalties can range from suspension, revocation and/or denial of a driver's license, to 20-50 years imprisonment at hard labor without benefit of parole. Property may also be seized. Community service may also be mandated.

Students could lose eligibility for financial aid, could be denied other federal benefits, such as Social Security, retirement, Welfare, health care benefits, disability and Veterans benefits. Public housing residents could also be evicted. Finally, a record of a felony or conviction in a drug-related crime may prevent a person from entering a certain career.

Drugs can be highly addictive and injurious to the body as well as one's self. People tend to lose their senses of responsibility and co-ordination.

There are drug or alcohol counseling, treatment and rehabilitation facilities in our area where advice and treatment are available. The telephone numbers of these facilities may be found in your local telephone book or yellow pages under Drug Abuse and Addiction – Information and Treatment. If other help is required for rape counseling, or domestic violence contact: Battered Women's Shelter 1-888-341-7386 (Lucas, Ottawa, Wood, and Fulton County).

There are national organizations that can be contacted for help. The Alcoholism and Drug Abuse Hotline is open 24 hours daily, 1-800-252-6465. The Cocaine Hotline, 1-800-444-9999 is also open 24 hours. The National Institute on Drug Abuse Hotline is available 8:00 AM to 2:00 AM, Monday through Friday and 11:00 AM to 2:00 AM on weekends, 1-800-662-4357.

It is a college policy that we do not sponsor or accept any liability for any functions that involve alcohol and/or drugs. This policy includes all student functions and employee functions, i.e. Christmas parties, etc.

## FERPA

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level.

Students to whom the rights have transferred are "eligible students."

Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great

distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

Parents or eligible students have the right to request that a school correct records, which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions:

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, directory information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.
